X-COVER

The X-Cover's design eliminates the bulky PVC cover of traditional roof top tents and saves time: be ready to camp in 3 minutes.

iKamper makes vehicle adventure easier with coverless, gear-hauling roof tent.

CROSS-BARS

Mount your favourite equipment, and save space in your vehicle. Compatible with most after-market cross-bar accessories. Load rating 30kgs.

SLEEPS 3-4 PEOPLE

The comfortable, king-size mattress, sleeps a family of 2 adults & 2 children, or up to 3 adults.

LIGHTWEIGHT, LOW PROFILE

Only 55kgs and 29cm high.

SKYVIEW + LARGE WINDOWS

The X-Cover's double Skyview windows offer extra light by day, and a view of the stars at night.

WEATHERPROOF

Made of breathable, water-resistant 300 GSM poly-cotton canvas. It also comes with waterproof zippers and a polyester rain fly for extra protection.

ACCESSORIES

Add the Annex Room for more living space, or the Awning for more shelter. Annex Room and Awning are made of 150D polyester material with 3000 PU (Polyurethane) colour coating construction and mosquito netting on all doors makes it perfect for picnics in the heat and rain.

X-Cover spacious enough to sleep 2 adults and 2 children.

Cross-Bars are compatible with most after-market accessories.

THE WISE CHOICE

There's a reason why the Skycamp became the most successful tent project on Kickstarter, raising \$2.3 million and shipping to 46 countries within 6 months of starting production.

It took years of hard work, prototypes, testing, failing, re-testing... But finally, we did it. We believe you'll be as proud of owning your X-Cover as we are of creating it.

Optional Shoe Rack and Outer Storage Shelf.
